I have mapped out all of the direct descendants of these 4 (Jane Fleming <https://drive.google.com/file/d/1zKFY0zPxfAXbCATGzBc4ieq06FZoZjEo/view?usp=sharing> [Fleming-13848] Martha Fleming https://drive.google.com/file/d/12mkNLPC3tr11r_yQYeZ0-Igec2EyAw82/view?usp=sharing [Fleming-2110] Alexander Fleming https://drive.google.com/file/d/1z9yZbBO5-ekha_dr4BfHMn1K4pa23x82/view?usp=sharing [Fleming-10310] Margaret Fleming <https://drive.google.com/file/d/1FTY1yWtQ10-SiukKpjmzXQ1jOaympjCh/view?usp=sharing> [Fleming-14989]) are DNA matches to me and made profiles on WikiTree. Two of them are X-DNA Matches, Ancestry and others say they are children of Marry Bolling [Bolling-94] and John Fleming [Fleming-23]. Now that we have Mitochondrial DNA of Mary Bolling they can easily be checked also Alexander Fleming [Fleming-10310] has a Y Match and can be checked with the male line, can someone do that I was right about Thomas Fleming [Fleming-1419] you can go back and see my arguments for him

"soon DNA will prove Col. John Wigton Fleming is next and finally to Amonute Matoaka (Rebecca) "Pocahontas" [RolfePowhatan-3] will be able to be proven as our common ancestor because of our X-DNA Match or at least strengthen the Ancestry"

PS Also My DNA Trail suggest and mapped out that Benjamin Bolin Bowlin [Bolling-79] (see profile pick) is in fact son of Mary Bolling [Bolling-94] <https://drive.google.com/file/d/1nm0MLCldfyW8S5FdulUQ8Y5kempnmNA/view?usp=sharing>

"from Mentioning Ursula Tarleton (Fleming) » Ursula Tarleton (Fleming) - Virginia Flemings descent from the Earls of Wigton-NO proof! Started by Barbara Pixley on Sunday, September 16, 2012

"This a a story and has been perpetuated for years in various books etc. (eg. the book by Fuqua) At this time THERE IS NO PROOF OF A CONNECTION!" <https://www.geni.com/people/Ursula-Tarleton/6000000000701018590>. Keeping this legion in mind, I do have DNA prof that is X-DNA and also many DNA lines of mine suggest link through, see profile note John Wigton Fleming [Fleming-23], I have most of the lines to my matches to him with links to the mapped out profiles on WikiTree but to make the X Matches work they have to connect To William Ruthven or his wife through this profile like this (https://drive.google.com/file/d/1eDj5CgR_gRz4Gafm-TXf_KXCW3meTWV/view?usp=sharing) and then my X-trail to them like this (<https://drive.google.com/file/d/15-8g6LdeUPS2DF6u5GhWpliNt4Zx5TT4/view?usp=sharing>)

Liz (Noland) Shifflett

Maggie - If you meant to set these as an unmerged match, could you explain why? "Obvious duplicates" says to me that they should be merged. Thanks!

Maggie N.

Hi Liz, I had to take my time looking over all the duplicates that were created yesterday in the Pocahontas descendants so set it up that way. It's all merged now.

Maggie N.

Once again, I removed Thomas Fleming that was born in Connecticut. The proper Thomas Fleming is already on here. Do not add this profile as a child, please.
