About Bunch, Elizabeth (Cherokee)

SHE WAS A CHEROKEE INDIAN. WILLIAM WAS AN INDIAN AGENT. A B UNCH GIRL MARRIED ANOTHER O'DOCHARTAIGH AT ABOUT THE SAME TIME. Bunch probably was a tribal name. >Birth note: From Family records of Edna Williams of Arlington, Washington State. Patricia Dougherty Skidmore of San Diego, Calif. and Genealogist of the Family: Robert Kinsman, of Half Moon Bay, Calif. In 2001 Clann Herald visited the Cherokee records in Huntsville, Al. He was able to locate several Dougherty families that had mixed blood with the Cherokee Tribe. It is hoped that he can have some Clann in the area spend more time recording this material.
