Biography

John was born in 1725, in Ireland. John is the child of [John Gregg](#) and [Nancy Wood](#). ^{[1][2][3][4][5]}

John Gragg. Little information has been found about John, son of John. He was probably born about 1725, in Ireland. Miss Hazel Kendall stated that John married Jane E. McCullock, of Augusta County, Virginia, however, this has not been documented. Miss Kendall also named the following children and grandchildren of this couple:

- John Gragg.
 - John F. Gragg
 - Demelia Gragg

Caviate

As per "Gragg Descent", and most other documentation adduced, provide that John Gregg, son of [John Gregg](#) and [Nancy Wood](#), was born approximately 1725; since the Gregg family didn't remove from Ireland to the America's until the 1740's, John could not have been born in Augusta, Virginia.

Augusta County court records show - "John Gragg removed, 17 November 1756." It is believed that John, with his family, moved to Pulaski County, Kentucky, in 1756.^[6] [Pike-2301](#) believes that he lived in Virginia during the war. In 1756 the British and the Colonists were fighting the French and Indian War.
