Biography

John Hubbard is said to have been a Quaker, but it would appear that he became a Quaker after his second marriage; that he became a

John was a Friend (Quaker)

Quaker in later life is certain, as he was a contributor to the building fund of the church or meeting house of the Cedar Creek Monthly Meeting when it was established in 1739. He was named with Nicolas Stone in 1741 as an overseer. He was appointed with Richard Ballard to attend the marriage (civil ceremony) of Manoah Chiles to Anne Cheadle in 1742. He continued to serve as an overseer of the Cedar Creek Monthly Meeting. However, he had removed to Amelia County by 1744 when David Terrell was appointed overseer in the room (place) of John Hubbard. (Cedar Creek M. M. Records.)

John Hubbard, son of Matthew Hubbard and Sibella Ham inherited a track of land at Skimini and a tract of land "that is above Charles Edmonds". This is in York County Virginia. John Hubbard is listed in New Kent County in the Quit Rent Roll of 1704 as

owner of 827 acres of land. New Kent was divided in 1691 into New Kent and King and Queen Counties. That part of King and Queen Co. was cut off in 1701 to form King William Co., which then lay between New Kent and King and Queen Counties. Almost all of the records have been lost. We find John Hubbard (Junr) and Samuel Hubbard listed in the Register of St. Peter's Parish, and Charles and Benjamin in other records. From these records this appears to be the family: John Hubbard, b ca 1653/54, m ca Elizabeth whose surname is unknown.

Since there are no other Hubbards listed early in New Kent, King William and King and Queen Counties, we have to assume that John and Elizabeth were the parents of these four Hubbards: (24) Charles Hubbard, (25) John Hubbard, (26) Samuel Hubbard, (27) Benjamin Hubbard. Reference: Vol XIII Historical Southern Families by Boddie, pub 1969.

John Hubbard of New Kent County, son of Matthew Hubbard and Sibella Ham, married circa 1675 Elizabeth name unknown. The Hubbard Family Genealogical Newsletter, Issue #6, page 130, St. Louis Genealogical Society Library

POST NEW COMMENT

Greg Stess

The Birth and Death dates appear to be inaccurate and/ or inconsistent. The first paragraph appears to be more suited as a narrative for John II, as the events mentioned are dated 15+ years after his (John I) death. Also, the year of his birth seems to be more verified as circa 1653/54, as sited at the end of the 2nd paragraph. This year appears to be more appropriate than 1661, as this would put his age at 16 when John II was born. Also, 1653 would be more in line with the year of his wife's (Elizabeth) birth of 1654. I hope this helps.

PS - Speaking of Elizabeth, does anyone know her birth name, and / or her parents? Thanks in advance.
