"Section 1. Any man shall be eligible to membership in this Society who, being of the age of eighteen years or over, and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unflinching in his loyalty to, and rendered active service in, the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman, or minute man, in the armed forces of the Continental Congress, or of any one of the several Colonies or States, or as a signer of the Declaration of Independence; or as a member of a Committee of Safety or Correspondence; or as a member of any Continental, Provincial, or Colonial Congress or Legislature; or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain."—Constitution of National Society S. A. R., Article III, Section 1, adopted June 3, 1907, and as amended.

Membership is based upon one original claim; when the applicant derives eligibility by descent from more than one Revolutionary ancestor, and it is desired to file additional claims, separate applications on special forms provided for the purpose, should be made in each case and filed with the original.

State fully such documentary or traditional authority as you found the following record upon, and also the residence of ancestors, with dates of birth and death, if known.

By order of the Board of Trustees, May 3, 1911, the recipient of a certificate granted on this application agrees to surrender his certificate upon failure to pay his membership dues, unless his membership shall cease by reason of death or actual disability, to be determined by the Society of which he is a member.
