Family of Wandesforde of Kirklington and Castlecomer (1904), pp. 28-32, Joseph Foster, ed., *Visitations of Durham, 1575, 1615, 1666* (1887), p. 181 (Hutton, which includes Margaret, daughter of Edward and Anne), plus Lascelles, Hutton and Joplin(g) research of Neil D. Thompson of Salt Lake City for James R. Bedwell of Vancouver, Washington. Neil found or confirmed the 10 Feb. 1673/4 birth of Ralph Jopling in Wolsingham, Durham, the 19 April 1653 marriage of Arthur Joplin and Mary Fetherstonhalgh in Brancepeth, Durham, the 26 April 1618 marriage of Robert Joplin and Margaret Hutton at Durham St. Mary le Bow, the 30 Sept. 1593 baptism of Margaret Hutton at St. Mary in the South Bailey, Durham, and the 30 Nov. 1585 marriage of Edward Hutton and Anne Lascelles in Kirklington, Yorkshire, and deduced Lascelles kinships from location and chronology. For the possible Scrope descent, which Mr. Thompson accepted, but I think just barely possible, see Foster's *V of Yorkshire*, p. 61 (Lascelles), J.W. Walker, ed., *Yorkshire Pedigrees, T-Z* (HSPVS, vol. 96, 1944), pp. 367-68 (Thwaites), W[illiam] Greenwood, *The Redmans of Levens and Harewood* (1905), pp. 117-19 and RA 5: 167-68 (Scrope).

Mr. Bedwell, mentioned above, who had been in contact with Laura Joplin (Janis's sister), kindly outlined (by letter) their patrilineal descent, as follows: Janis Lyn Joplin, 1943-1970; Seth Ward Joplin & Dorothy Bonita East; Seeb Winston Joplin & Florence Elizabeth Porter; Charles Alexander Joplin & Margaret Elmira "Elen" White; Benjamin Joplin & ____; Daniel Jopling & ____; Ralph Jopling, Jr. & Catherine Farrar; Ralph Jopling, above, & _____. Catherine Farrar was a daughter of John Farrar (& Sarah ____), son of Thomas Farrar (& Katherine Perrin), son of William Farrar, Jr. (& Mary ____), son of William Farrar of Va., ARD, SETH, & Mrs. Cicely ____ Jordan. In addition to Mr. Bedwell's letter, see AP&P4 1 (2004): 926-931, 933, 946-947 (to Daniel Jopling).

Ralph Joplin(g), a late addition to this work, is charted here, rather than in a section near this book's end, among "Immigrants Whose Royal Descents Were Received or Developed After Much of This Volume Had Been Indexed" since he shared twelve generations of the descent from King John to Henry Corbin. In its correct order, this chart would follow that for Mrs. Anne Wolseley Calvert and her niece, Mrs. Mary Wolseley Brooke, both of Md.
