[This List, which is reprinted in P.F. Campbell's "Some Early Barbadian History", published Barbados, 1993, appears to be part of an old publication which Campbell reproduces in its entirety, and which is entitled: "Memoirs of the First Settlement of the Island of Barbados and other the Carribbee Islands, with the Succession of the Governors and Commanders in Chief of Barbados to the Year 1742, extracted from Ancient Records, Papers and Accounts taken from Mr. William Arnold, Mr. Samuel Bulkly, and Mr. John Summers, some of the First Settlers, the last of whom was alive in 1688, aged 82. Also some Remarks on the Laws and Constitution of Barbados." by William DUKE, the clerk of the House of Assembly, who first published the 100 page book in Barbados in 1741. Second edition London 1743. Reprinted in Bdos 1891. For more details, see Handler's "Guide to Source Materials for the study of Barbados History", page 30.London, Printed for E.
