

SEARCHING FOR THE
PARENTS OF JEFFREY
CROWLEY

11 NOVEMBER 2017 · 1 COMMENT

Sue Crowley, who is the chair of our Jeffrey Crowley Descendants Committee, has compiled this list of possible parents of Jeffrey Crowley who was born ca. 1700 in England and immigrated to Virginia sometime before 1730. His descendants in the United States are many.

Seven different sets of parents have been

some documentation for these suggestions so she can prove who the parents are. She would welcome information and comments. The possibilities are as follows.

1. Source Paul Crowley, Atoka, OK: Sir Ambrose Crowley, son of Ambrose Crowley and his wife Theodocia Gascogne. (Note: Ed and I disproved this theory when we did research in England in 1992. HHL)
2. Source Judge Ariel Crowley, of Idaho: Agnes Crowley and Jeffry Hopkins, LDS Call #822633, type film batch 7365203, sheet 05.
3. Source Jack Grantham, Dallas, TX: Samuel Crowley, son of Ambrose Crowley and his second wife Sarah Morris. Jack says that Sarah was the daughter of Samuel Morris who was not only RICH, but was of noble

Hello! I just came across this story! I have traced Jeffrey Crowley as a direct descendant and was so confused by the variance of information I discovered on his parents and spouse(s). I am glad to see I am not the only one! Jeffery is my 6th great-grandfather. I live in Colorado, USA.
