In July 1788 Abednego patented 10,000 acres of land on Indian Creek Fork of the Clinch River in Va.

In April 1790 Abednego swears before P. Wagener, clerk of Fairfax Co. VA the Following:

I Abednego White do swear that my removal into the state of VA. was with no intent of evading the Laws for preventing the further importation of slaves. Have brought no slave with me with an intent of selling nor have any of the slaves I have brought with me been imported from Africa, any of the West India Islands, since the 1st day of November 1778, so help me God.

Abednego is listed in the Tax Collection Records of Prince George Co, MD in 1780-81-81-88.
